

2018 AMERICAN SCHOOL & UNIVERSITY EDUCATIONAL INTERIORS SHOWCASE

CROW ISLAND SCHOOL CITATION

Milby High School—Houston, Texas
Kirksey—Houston, Texas

“Beautifully executed with wonderful use of natural light. Successful integration of old and new that celebrates the existing structure while providing new life and vitality to the spaces.”—2018 Jury

COLLEGIATE CITATION

University of Tennessee, Knoxville, Facilities Services Complex—Knoxville, Tennessee
Cope Associates, Inc. Architecture—Knoxville, Tennessee

“Fabulous reuse and conservation of available space. New details and finishes are appropriate and well integrated. The open, collaborative environment will support the mission of the university.”—2018 Jury

SPECIAL CITATIONS

Missouri Innovation Campus—Lee's Summit, Missouri
DLR Group—Overland Park, Kansas
Associated Firm: Gould Evans

“Clear plan and space organization. Beautiful use of material pallet. Open, contemporary, and welcoming.”—2018 Jury

University of California, Berkeley, Moffitt Library Renovation—Berkeley, California
Gensler—San Francisco, California

“Transformed a bland building into a vibrant and stunning contemporary environment. Nicely integrated glass partitions. Collaborative setup with mixed seating is warm and inviting. Timely and timeless.”—2018 Jury

GOLD CITATIONS

The University of North Carolina at Chapel Hill, Murray Hall Be a Maker (BeAM) Makerspace and Laboratory Up-Fit—Chapel Hill, North Carolina

BHDP Architecture—Raleigh, North Carolina

“Clean, modern design incorporates technology and job-related tools into the design of classrooms and labs. Nice application of transparency and flexible design elements in learning spaces.”—2018 Jury

McCarver Elementary School, Historic Modernization—Tacoma, Washington

DLR Group—Seattle, Washington

“Wonderful addition of lower level access and windows. Renovated space respects the past detail and successfully weaves in new modern detailing. Revealing the existing skylight adds significant value to the space.”—2018 Jury

Michigan State University, 1855 Place—East Lansing, Michigan

Neumann/Smith Architecture—Southfield, Michigan

“A very complex program has been well organized into a series of dynamic and articulated spaces. Great conference and collaboration areas. Clean, well-designed interiors feature great use of wood.”—2018 Jury

SILVER CITATIONS

College of the Holy Cross, Thomas P. Joyce '59 Contemplative Center—West Boylston, Massachusetts

Lamoureux Pagano & Associates, Inc. in collaboration with William J. Masiello Architect, Inc.—Worcester, Massachusetts

“Beautiful lodge-type design. Sophisticated yet organic architectural detailing and material applications. Great use of light, views and symbolism.”—2018 Jury

Olathe West High School—Olathe, Kansas

Stantec—Austin, Texas

Associated Firm: Hollis + Miller Architects

“An inspiring space for students! Design facilitates collaboration and exploration. High level of craftsmanship and detailing.”—2018 Jury

Socastee Elementary School—Myrtle Beach, South Carolina

SFL+A Architects—Raleigh, North Carolina

Associated Firms: Firstfloor Energy Positive (Design-Builder), SFL+a Architects (Architect of Record), Stantec (Educational Planning/Interiors), and Mazingo Wallace (Exterior Architect)

“Great use of solar energy responds to climate change. Compelling interior aesthetic. Nice scale and multiple elements to mediate the central space.”—2018 Jury

BRONZE CITATIONS

Plumbers Local 130 UA Training Center—Chicago, Illinois

Gensler—Chicago, Illinois

“The building as an adaptable classroom. Great display of plumbing systems in a modern environment to inspire and teach students.”—2018 Jury

BRONZE CITATIONS CONTINUED

Mount Wachusett Community College, Bemis Student Center—Gardner, Massachusetts
PCA (Prellwitz Chilinski Associates)—Cambridge, Massachusetts

“Fabulous solution to a very common challenge. Creative application of vibrant and warm materials and lighting results in inviting spaces for students.”—2018 Jury

American University, Don Myers Technology and Innovation Building—Washington, DC
Stantec Architecture—Arlington, Virginia

“Features a refined pallet with interesting incorporation of chalkboards. Floorplan is well organized with corridors broken down nicely. Exhibits a durable aesthetic and finishes.”—2018 Jury
