

New! Q&A Pages in the Fall 2017 Architectural Portfolio Issue

Showcase your insights, leadership, projects, and more.

American School & University is the publication for thought leaders shaping school and university facilities. The fall 2017 Architectural Portfolio issue is our annual competition and industry guidebook for administrators planning learning environments. Our new Q&A pages are a unique, cost-effective way to show your expertise in this special magazine devoted to the best in education design and facility planning.

- A full color page devoted to your company
- Three questions and answers to showcase your expertise
- Three images of your leadership and your work
- Company logo
- Contact information
- Great for architectural firms, interior designers, landscape architects, and design and building professionals who work with schools or universities
- Place your page by a project category (elementary, post-secondary, residence halls, athletic facilities, and more - twenty categories to choose from). Or surround your page with must-read Construction Guide editorial. Entrants can reserve the page next to their project page.

Don't miss this unique opportunity to spotlight your expertise. **Deadline to Participate: October 16**
